

100 places in pocket

A digital map of Modena
to help you find the
services you need.

Arriving in a new city that you don't know is not easy, we understand!

That's why we created an online map for all asylum seekers staying at the **Extraordinary Reception Center of Modena**. This map is like a compass you can keep in your pocket: it shows you the way, gives you useful information, and helps you make the decisions you want to make.

Remember, you are not alone!

The CAS staff is always ready to help you. Talk to them for more information about the services on the map.
